Dear Member,

We, the COGIC Credit Union Board of Directors, are excited to announce our merger with Essential Credit Union.

This merger will provide our members with the opportunity to access a broader offering of products and services to better meet their financial needs. Members will have access to ATM, digital teller machines, broader loan options (cars, RV, ATV, boats) etc. Members will also have access to additional savings, retirement, and investment opportunities.

Current Member Church accounts will be assigned a commercial account and will now be available to apply for additional loan options to build new churches, remodel existing facilities, and make major purchases on behalf of the church through proper church approval channels.

Additionally, those members that have small businesses or aspire to start businesses will now have access to a variety of loans and deposit products specific to their needs.

During this transition you will receive regular correspondence to keep you up to date on our merger progress. We anticipate that the transition will be completed no later than the second week of October. Until the merger is complete you will continue conduct business through COGIC Credit Union as usual.

To explore Essential Credit Union and its offerings, please go to www.essentialcu.org.

Once again, this is an exciting new chapter in the evolution of COGIC Credit Union! If you have any questions, we encourage you to give us a call.

Sincerely,

Donald Piper
Board Chair
